Pastoral Perspective

Even among Christians when someone mentions Lent, the only good thing ever said is that it follows "Fat Tuesday!" Ash Wednesday was several days ago and during our services, worshipers were anointed with ash mixed with oil to remind us that we are dust and to dust we will return. The word Lent causes people to worry and sometimes obsess about what they will have to give up. Yet, Lent is really a time to reflect and look toward the saving act of God in Christ Jesus - death on the cross.

I want to encourage everyone to do four things during Lent this year.

- † Monday through Saturday, reflect on where God has taken you, how God has been with you in the midst of the good times and the not-so-good times. While reflecting, discover how God is presently at work in the midst of your life, just yesterday and this day, since you woke up!
- † On Sunday, worship God! In the 40 days of Lent Sundays are not counted because we celebrate the resurrection of our Lord every Sunday.
- † Read daily in ***Mission: Possible***, the devotion for Lent developed by our Education committee. It is excellent! Be careful though, reading a daily devotional might just become a habit! (Quite honestly, though, I am not sure how that would be bad!)
- † Make it a priority to attend our Wednesday worship services (4:30 PM or 7:00 PM) and possibly fellowship at a Soup Supper (5:15 PM to 6:45 PM). Many people have worked hard to make the Wednesday nights very meaningful in so many ways and assist us in looking toward the cross.

The cross is where Lent points us. As we prepared our hearts for the coming of Christ during Advent, let us prepare our hearts daily for the love of God demonstrated through Christ Jesus' death on the cross and subsequent resurrection on that first Easter.

Blessings -
Ed Broestl

Easter Service and NEW Worship Times!

Beginning Sunday, April 4th (Easter Sunday) we will be moving to a new worship schedule:

8:00 AM, 9:30 AM, and 11:00 AM

Moving forward, we will keep these worship times as our regular schedule. Our Christian Education Hour will be at 9:30 AM.

As we grow, the needs of worship grows as well. God has richly blessed FCLC and we welcome the changes it brings! Remember to bring a friend to church at one of our new worship times!

LENT

Lent is a forty-day season of “preparation for the death and resurrection of Jesus Christ” which we celebrate on Easter Sunday and EVERY Sunday. Lent began Ash Wednesday, (February 17th), where we received the mark of the cross in ashes on our foreheads as a reminder that we were created from dust and to dust we shall return. Lent continues for 40 days and culminates in Holy Week (beginning with Palm Sunday, and continuing through Maundy Thursday and Good Friday.) Please note that Sundays are **not** counted in the 40-day season of Lent because we celebrate Christ’s res-

urrection on Sunday EACH week. There is actually 46 days from Ash Wednesday through Easter Sunday in 2010. Three days after Good Friday, Jesus rose from the dead. The Good News! Easter!

This year’s Lenten theme is “MISSION: POSSIBLE.” Family, Hunger, World, Help, Fear, and Hope. We will explore these themes through our Lenten devotional and worship services. Lenten worship services this year will again include the Holden Evening Prayer and Lenten dramas. Lenten Devotionals are now available in the Narthex.

Other events and activities that will happen throughout Lent include soup suppers, the Seder dinner, the Sunday School Easter Extravaganza, Easter breakfast (put on by our Youth to sponsor the Youth Mission Trip), Easter lilies, and spring cleaning (March 27th). Please look for more details in future editions of the Faith Communicator and on FCLCnews.

Lenten Dramas are Back by Popular Demand!

This season we are all about the men of the Bible!

You are going to learn a little more about the following Biblical characters and their connection to and journey with God this season. Please give those who are going to be portraying these Biblical characters a pat on the back for their efforts this year. Doing a monologue is not an easy thing, but we are blessed with so much talent at FCLC!

When: Every Sunday morning 10:05 AM - 11:05 AM during the school year
Where: Starts in Sanctuary

Attention parents and youth of FCLC!!! We want to remind you of our new Worship/Education Hour for our Youth Ministry on Sundays called "*the FiLL*." The FiLL is for all 6th - 12th graders. We meet in the Sanctuary at 10:05 AM for opening music and to hear God's word for a few minutes. This time is for us to be challenged in the word of God and to then talk about it in our different small groups. We separate the students into middle school/ high school, then guys/girls. This format allows our students to go deeper into discussion with their individual leaders and to talk about things going on in their lives.

We really encourage our parents and youth to make this time on Sundays a priority in your lives as it produces the habit of fellowship, prayer, worship, Bible study and communion as we gather to talk and share our lives with one another. So, if you come to the early service, stay late for Sunday school (the FiLL) or come to Sunday school and then stay for the later worship service. Don't miss out on the great conversations and discipleship going on!

Passover Preparation Led to Spring Cleaning

While there are several suggested origins of Spring Cleaning, one of them is based on the Passover. During Passover it is forbidden to have leavened bread in the household (even crumbs and dusts are from forbidden flours.) Therefore, just before Passover the family took to cleaning the entire household to remove all forbidden particles in preparation of Passover.

The Property Ministry invites the Faith family to join in preparations for the Holy Week with a Spring Clean-up on March 27th (the Saturday before Palm Sunday.) Please come and join us to help make the Church sparkle for our Holy Week. We will start at 8:30 AM and hope to conclude by noon.

We will be cleaning the Sanctuary, windows, and furnishings; the Narthex; and the Fellowship Hall. This includes washing windows, vacuuming, dusting, and polishing.

7Ten

7Ten is a new ministry that we have started with the FCyouth. These are events that take place on weekends (mostly Saturday and most often from 7:00 PM to 10:00 PM). This is a place for students to come, hang out, and fellowship with other church kids and adults.

We want to provide regular opportunities for all of our youth (6th-12th graders) to keep in the 'know' about these events. You will need to READ THE NEWSLETTER, check the CHURCH CALENDAR, and COME TO THE FILL, and WNLIVE.

Our first 7Ten was with the Super Bowl Party! It was an amazing time with more than 30 students who came; played basketball and games; ate; and enjoyed watching the Saints and Colts play.

Photo Directories—ARE HERE!

Our church pictorial directories are here! For those of you who had your picture taken by LifeTouch or who submitted a photo, you will find a copy of the directory in your mailbox. For those who did not participate in the directory, there are a few more copies available for sale (\$5). If you are interested, please see the church office.

Why doesn't everyone get a directory? We have no budget for purchasing additional copies (\$6/each from Life-Touch). We do get some extra copies from "points" we receive based upon the number of families photographed. Since we do NOT have enough to hand one to every family, we are selling the extra copies.

If you do not wish to purchase a directory, you can still get a copy of the church roster. For more information, please contact office@fcl.org.

Thanks again, to all those who helped in the production of the directory and in the efforts to get families photographed! A special thanks goes to Kaydene Hubert, who did all the design and layout work!

If you have any questions, please email me at sallyjmeier@yahoo.com.

Thanks,

Stover's Project: Longmont Connection

Please save Friday Night, March 5th
5:30 PM - 8:30 PM

We will be attending a "meal and worship in the park" event for the homeless in Longmont. Nancy Tway from our congregation has been a part of homeless ministry in Longmont for several years and is our contact person for this venture. This event takes place every Friday night in a nearby park in Longmont. An organization called Common Cathedral hosts this weekly gathering. We are going to attend this, rub shoulders, eat, and worship with our brothers and sisters who are homeless. We will gather at FCLC at 5:45 PM and travel from there.

Those going on the Stover's Project in Minnesota next month will join members from our congregation interested in homeless ministry. Please find a sign-up sheet for this event at the Welcome Center. Although we encourage ages 16 and up to join us, if you and your family would like to attend this, please do!

Questions? Please contact Nancy Tway at 303-651-7253.

2010 CENSUS:
IT'S IN OUR HANDS

The 2010 Census is Coming and it is Safe

What should I do?

Fill out the questionnaire being mailed by the U.S. Census Bureau in March 2010. Mail it back by April 1st.

Why is the Census important?

The Census is important because complete and accurate Census data is critical to our ability to serve the people of Longmont. The data helps us identify our population and their needs and allows us to secure our share of federal funding to meet those needs.

Who does the data help?

Everyone! Over 200 agencies make their funding allocations based on Census data. Some examples where federal funding is allocated are: educational agencies, Head Start programs, Women, Infants and Children (WIC), Public Transportation, road rehabilitation and construction and emergency food and shelter.

LFS Refugee/Asylee Program...

is in need of bed-sized blankets. We can accept used blankets as long as they are clean and in good condition. Blankets may be delivered to either LFS office (363 S. Harlan St. Suite 200 in Lakewood, or 1600 Downing St. Suite 600 in Denver) Monday through Friday between 8:00 AM and 5:00 PM. We do not need baby blankets, throws or quilts at this time. Thank you!

Care Management Solutions

Care Management Solutions, Lutheran Family Services' program for older adults, is in need of financial contributions to help us meet the needs of older adults. The recent economy has hit the vulnerable senior population particularly hard—we have seen a dramatic increase in older adults seeking assistance for shelter, food, housing and health-care. To address the growing needs of our clients, LFS has set up the Senior Relief Fund that will be used to pay for necessities such as glasses, hearing aids, emergency medications, etc. The needs are many and quickly multiplying.

Care Management Solutions is also in need of a video camera for volunteers to help older adults record their favorite memories. LFS is looking for someone who would like to donate a camera or contribute towards the purchase of one.

If you can help with either of these projects or would like more information, please call Carol Buchanan at 303-217-5865.

Volunteer Coordinator / Administrative Assistant Position

Ben's Story

Our trip was part of the curriculum at Luther; every student is required to participate in a cross-cultural experience designed to challenge each student's understanding of culture, and to help them get a glimpse of the world as it is seen through the eyes of other people. The trip was not what you would typically think of as a "mission trip," we were not going there to work, or to influence the people we were to meet as much as we were going to be influenced by them. We were setting out to learn about Haitian culture and the unique problems that Haiti faces by talking to and learning from Haitian people. Our goal was to get a greater understanding of why Haiti is in its current state, and what needs to happen to improve the situation. Additionally, we applied our experiences of Haiti to our understanding of what it means to live in Christian community in a more general sense, and we spoke a lot about God's will for the church, both globally and locally.

The itinerary of our trip was designed to get us intimately acquainted with the organizations that HTF supports. These are Haitian run organizations which is important because the people of Haiti know very intimately what their country needs as we as outsiders could never know. Additionally, these people are wholly invested in the future of Haiti because they have a strong sense of cultural pride and they are an inherently patriotic people. A great deal of what we talked about and learned from talking to Haitians has changed the way that I think about charity. When I think of what Christ has called us to be and do for the sake of "the least of these" in Matthew 25, He does not call us to simply give, but he calls us to walk with and care for others as if they were our own. We are called to live in communion with them, it is an intimate thing.

In the midst of the earthquake this is how the Haitians treated us. Even when their world was literally falling apart, they cared for us. This was a life changing experience for me! When I give, I do so from a comfortable position, and give out of my excess. They gave to us in a *deeper* way. They gave to us when it would have been easiest to focus on themselves. I have seen in the Haitian people an unparalleled example of Christian community. Whatever plan we set out with, whatever we thought that we were going to Haiti to learn, this is what God had in mind to teach us. When I think about charity now, I think less about giving to people and more about walking with them. When I think about Haiti now, I think less about what we have that they lack and more about what we could have together. This is why God sent me to Haiti, and this is what I have come back to speak about, to help people quit thinking about charity as zero sum, that to help someone I must diminish myself. In God's grace and by His perfect plan giving of what we have can only add to ourselves.

You should read the article about another seminary student who was in Haiti with a different trip than we were, who passed away in the earthquake. The audio of the interview his widow and cousin give detailing their experience is especially powerful:

MORE of Your Outreach Dollars at Work

The following email was received from Pastor Leon Philpot following the Super Bowl victory of the New Orleans Saints on February 7th. Pastor Philpot serves Grace Evangelical Lutheran Church in New Orleans. Many of you will remember our involvement with this congregation following Hurricane Katrina in 2005. We can be encouraged that God continues to bless our investment of time and treasure with eternal fruit.

Dear friends and partners of Grace,

Moments after all the exuberant and exhilarating cheering and high fives, when it became clear that our beloved New Orleans Saints are Super Bowl Champions, all of you came to mind. This entire season has been much more than just about football. The New Orleans Saints have embraced this city in their recovery. Though their primary focus was winning football games, their secondary focus was to unite this city, state, region, and country to BELIEVE and recognize that our recovery is possible. There is a spirit that underlies this experience that is directly connected to God and His purpose for all of us (see Sunday's lesson from Psalm 138).

I hope you are celebrating with us because you have been a major part of that purpose! You have been on OUR team from the very beginning. The championship we celebrate is just as much for you as it is for all Saints fans.

Folks, we have experienced a resurrection first-hand. What you are seeing is not only our football team, but our church and our city (thanks to you!). We have gone from the words that the prophet Isaiah describe to God's people as desolate and gone to waste to NEW LIFE. Jesus word's..."I AM THE RESURRECTION and the LIFE!" have great meaning and purpose for us. And then Jesus said..."DO YOU BELIEVE [DAT]?"

All of us in New Orleans say with confidence and a new swagger to our step . . . AMEN! Incidentally, the front page of the Times-Picayune this morning says it as well! In big bold letters the headline reads...AMEN!

We elected a new mayor on Saturday. Mitch Landrieu won convincingly with all the diverse constituents we have in New Orleans. There is a new air of political cooperation to really turn New Orleans into something new and better. Pray for our leadership that they carry this momentum.

We give thanks to God for you...for your grace to us that us made us who we are today---CHAMPIONS of the RESURRECTION!

Keep the faith . . . BELIEVE DAT!

Kids Hope USA

For the second installment of Meet the Mentors, here is a note from Connie Rankin:

I became involved with the Kids Hope program last fall. I have been partnered with Tony, a sweet, inquisitive and funny 10-year-old 5th grade boy. I had expected to be partnered with a younger child, but the principal at Sanborn had several 5th graders who he felt could benefit from having a mentor. I felt nervous that first day. Having the support and prayers from my prayer partner, Jill, helped keep me calm. Still, I wasn't sure what to expect that day. What would I say? Would he be responsive? What if he didn't like me? How was I going to fill an entire hour? All those fears left me during our first meeting. The school counselor introduced us and told Tony to choose a game for us to play. While we played the game, we talked. We talked about action heroes; his favorite books and movies; and what he liked to do during the weekends. We also worked on some of his math problems; had a snack; and before I knew it the hour was up.

Our regular weekly sessions pretty much follow the same pattern and what I've really noticed is how much I laugh during that hour. It has been a joyful experience. Tony has told me that he always looks forward to Tuesdays and our time together and I feel the same way. I have also come to the realization that as a mentor, I am not expected to replace his mother or father. I am there to be an adult who cares about him; and shows it; if just for one hour a week.

The nursery is in need of servants for Good Friday and Easter Sunday. I know it seems early but if you could look ahead at your schedule and let me know if you would be able to serve I would be very appreciative. Please contact Natalie at nboggess01@hotmail.com. Thank you!
